Subject: Proposal for a Regulation of the European Parliament and of the Council
establishing the Justice programme for the period 2028-2034 and
repealing Regulation (EU) 2021/693
- Partial general approach

In the document ST 8718/26 INIT, on page 7, the third sentence of the recital 2 now reads:

“It is therefore more important than ever to promote, strengthen, and defend justice, which has direct implications for the political, economic, financial and social life in the Union, **on the security of citizens** and beyond, and is necessary to prepare for an enlarged Union.”

Instead, it should read as follows:

“It is therefore more important than ever to promote, strengthen and defend justice, which has direct implications for the political, economic, financial and social life **and for the security of citizens in the Union and beyond**, and is necessary to prepare for an enlarged Union.”
