Subject: Re: Refs 26/1633, 26/1541, 26/1544

Hello,

I did not receive any information about why my transparency request is not being addressed. Therefore I would like to file a confirmatory application for my requests under reference **Refs 26/1633, 26/1541, 26/1544.**

I believe these documents must for academic purposes fine to release (or parts ?), unless there is a problem I am not aware of.

Thank you
