STATEMENT BY HUNGARY

**on the COUNCIL CONCLUSIONS ON PREVENTING AND COMBATING CYBER
VIOLENCE AGAINST GIRLS**

Hungary recognises and promotes equality between men and women in accordance with the Fundamental Law of Hungary and the primary law, principles and values of the European Union, as well as commitments and principles stemming from international law. Equality between women and men is enshrined in the Treaties of the European Union as a fundamental value. In line with these and its national legislation, Hungary interprets gender equality as providing equal chances and opportunities for women and men. Within this and in line with these and its national legislation, Hungary interprets the concept of ‘gender’ as reference to ‘sex’ in the *Council Conclusions on Preventing and combating cyber violence against girls*.
